

Trails and maintenance provided by Santa Maria Valley Open Space.
 Support your local trails at www.smvos.org
 The public open space is operated by the Santa Barbara County Parks Department.
 The Brodie and PCEC properties are private. Permission for the public to recreate on the established trails has been granted pursuant to protections offered by Civil Code 846.
 Permission to recreate on these private properties can be taken away at any time. Please stay on marked trails. Social trails may contain drop-offs, erosion and other hazards.
 There are approximately 13 miles of trails that are moderately strenuous and in some areas are steep. Trails are maintained by volunteers and conditions will vary.
